ADVISORY
 November 22, 2018

THIS ADVISORY IS ISSUED FOR THE INFORMATION OF PUBLIC SCHOOLS DISTRICT SUPERVISORS, PRINCIPALS IN-CHARGE, SECONDARY SCHOOL HEADS/TEACHERS IN-CHARGE, AND YOUTH FOR THE ENVIRONMENT IN SCHOOLS-ORGANIZATION (YES-O) ADVISERS

The Philippine Society of Youth Science Clubs – Region 02 Council, the Young Environmentalists and Achievers in Science and Technology Club (YEAST Club) and the Youth for the Environment in Schools-Organization (YES-O) of the University of La Sa Latte, Inc. High School, Malvar, Santiago City will be conducting the **2018 Regional Youth Science, Technology, and Environment Camp (RYSTEC 2018)** with the theme, *“Configure: Hustle, Thrive, Survive”* on November 30-December 1, 2018 at La Salette, Inc. High School, Santiago City.

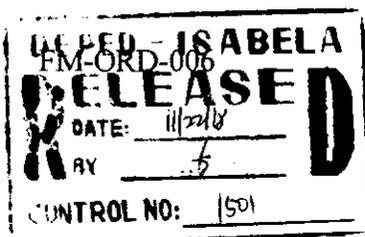

The RYSTEC 2018 main goal is to help in transforming the young minds to environmental awareness and concerned citizens of this country who will continuously support science clubbing movement and who will advocate a greener and sustainable lifestyle for a better tomorrow. A registration fee of PhP1,200.00 per participant will be collected to defray expenses for foods, accommodations, materials and a kit.

As such, this office encourages interested YES-O Club members with their advisers to take part in the said event.

Attached is the proposal from the University of La Salette, Inc. High School, Santiago City for information and dissemination.

YOUNG ENVIRONMENTALISTS AND ACHIEVERS IN SCIENCE AND TECHNOLOGY CLUB (YEAST CLUB), YOUTH FOR THE ENVIRONMENT IN SCHOOLS-ORGANIZATION (YES-O), and PSYSC-REGION 2 COUNCIL

October 22, 2018

ESTELA L. CARIÑO, CESO IV
Regional Director
Department of Education, Region 02

Madam:

Greetings from the Science Clubbing movement.

As a club that exhibits a great commitment for Science, Technology and Environment (STE), the **Philippine Society of Youth Science Clubs - Region 2 Council**, the **Young Environmentalists and Achievers in Science and Technology Club (YEAST Club)** and **Youth for the Environment in Schools - Organization (YES-O)** of the University of La Salette, Inc. High School would like to conduct the **2018 Regional Youth Science, Technology and Environment Camp (RYSTEC 2018)**. This is an activity which aims to help the students learn and love the world of science more by the use of different interactive activities, fun workshops and educational lectures, supply the students diverse solutions to help preserve the environment, provide the participating students with lessons and facts in the **field of human kinetics**, produce competitive science achievers in the region, and to develop leadership among the students.

This year, the RYSTEC 2018 with its theme, **"Configure. Hustle. Thrive. Survive"** is scheduled to be held on **November 30, December 1-2, 2018 at the University of La Salette, Inc. - High School**. This will cover during the day of Friday, whole day and night of Saturday and the half-day of Sunday. A registration fee of **Php 1,200.00** will be collected from each participant. The registration fee will cover foods, accommodations, materials and kit for the said Echo-Seminar.

In this regard, we humbly ask support from your good office to invite again the actively participating schools in the region and help us in disseminating information about the RYSTEC 2018 by **issuing an advisory in the region**. However, the invitation is not limited to the listed schools. For more details and inquiries you may contact Ms. Ginalyn M. Lazo on 0975-1871-805 and Mrs. Rhoena Digna E. Ng on 0927-5683-812.

The Science department and the YEAST Club are very eager to impart knowledge to the youth. With the help and the support of the DepEd, we may be able to transform young minds to environmental awareness and concerned citizens of this country who continuously support science clubbing movement and who take part in living a greener and sustainable lifestyle for a better tomorrow.

Attached is our project proposal, participating schools and working committees.
