Greetings!

We are from the **University of the Philippines Lambak (UP Lambak)**: an organization of UP Diliman students from Region II, and steered by the pursuit for excellence and regional solidarity through the initiation of various activities and projects within the region and beyond.

Resolute towards its key thrusts, UP Lambak will be holding **VALLEYGSAHAN 2018** on **December 15 to 16, 2018** (Saturday and Sunday) at **Santiago East Central School, Santiago City**.

Valleygsahan is an annual interscholastic competition pooling Cagayan Valley's best minds. Coined from the words 'valley' and 'paligsahan,' the event title roughly translates to "Paligsahan sa Valley." This brainchild of the organization is befitting of its aim to uphold intellectual advancement through constructive competition across the region and to promote camaraderie among the future think-tanks of the Region. The events in the two-day gathering include quiz bee, poster making, essay writing, debate, and extemporaneous speech.

On that note, UP Lambak would like to request the endorsement of your good office to help us in the sending of invitation letters and attachments to the various schools in the region through the release of an official DepEd regional memorandum. The success of this endeavor shall greatly depend on the number of schools who will participate. Attached herewith is the Valleygsahan 2018 invitation package for both Elementary and Junior High School Divisions.

Should you have any inquiry, we will gladly discuss such matter and present details related to the event at your convenience. Feel free to send an e-mail to [valleygsahan@gmail.com](mailto:valleygsahan@gmail.com), or contact **Richelle Marie R. Orprecio** at (+63-917-149-0335) or at [rorprecio@up.edu.ph](mailto:rorprecio@up.edu.ph).
