Madam:

Greetings of Peace!

The Teachers' Dignity Coalition (TDC) in coordination with the Civil Society Network for Education Reforms (Education Network-Philippines) will hold a "Joint Parents and Teachers' Training on Positive Discipline" on March 24-26, 2019 at Baguio Teachers' Camp, Baguio City. The objective of this training is to strengthen the capacities of teachers and parents on child protection advocacies.

Some 100 classroom teachers, school administrators and parents are expected to attend this activity. The training is first of its kind for we have combined parents and teachers in a single training, thus we expected a full collaboration and synergy.

The training shall be free of charge, board and lodging and other seminar expenses shall be subsidized by the TDC. However, participants are expected to shoulder their transportation expenses to and from the venue. Registration and billeting will begin at 1:00PM (PM snack will be served) and the program will start at 3:00PM of the first day, March 24. Check-out time is at 12:00NN of March 26 (AM snack will be served).

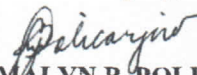

**In this light, we would like to respectfully request your good office to endorse this activity to the respective school heads of the teachers and administrators in the attached list and allow the official participation of the delegates. The final confirmation of attendance is until March 22, Friday give ample time for the secretariat to prepare logistics and materials and make necessary adjustments. For confirmation and others details, participants may communicate with Ms. Darlene Loro of TDC Secretariat at mobile number numbers 0935-3279359.**

**Lastly, please accept our sincere apology for this late communication. While we have finalized the details of this activity more than a month ago, we were unable to submit the request earlier due to unavoidable circumstances, particularly as regards to its logistics.**

We anticipate your most prompt and favorable response!

*Maraming salamat po!*
