

BENJAMIN D. PARAGAS, CESO IV
Regional Director
Department of Education – Region II

Greetings of peace and hope for the New Year.

This past month brought what could be the greatest experienced challenges of our profession, we have much to reflect on. While we hope for the best we need to prepare for more challenges, both immediate and farther into the future, we need to learn more. As education duty bearers, we are rising to the challenge, we have reasons to be proud and to celebrate.

We, too, at Rex have 70 years of reasons for a celebration. It will be our greatest honor to reflect, learn and celebrate with you during our 70th Anniversary and the 2021 Annual Educators' Congress (AECong) on January 22-23.

For a decade now, the AECOn has been a venue for sharing and learning best on-ground practices and new insights on current trends in education both locally and globally. This year's AECOn also sets the stage for developing Students/Learner Agency.

The Learning Component of AEGON 2021 was designed and will be facilitated by our training partner: the Science and Art of Learning and Teaching (SALT) Institute of the Ateneo de Manila University and carries corresponding CPD points from the Professional Regulatory Commission.

Joining us are renowned local and international experts as resource persons.

Dr. Jérôme Buenvieja, Dean of the UP College of Education, will share the Edukampyon approach for maximizing a school's capacities for developing learners who are healthy, safe, engaged, supported, challenged and values-oriented.

Dr. Katie Martin, the keynote speaker, is the author of *Learner-Centered Innovation* and the VP of Leadership and Learning at Altitude Learning. She will share insights for "catalyzing and accelerating the shift to learner-centered education in schools and for empowering every learner to drive their own learning and growth."

Since it is also Rex's 70th year anniversary celebration, the two-day event includes raffle promos and giveaways, as well some entertainment courtesy of Regine and Ogie Alcasid.

Given the exigencies of the times, the event will have to be virtual but we are striving for the learning and celebration to be just as real.

We have reserved fifty (50) slots for the teachers and personnel of DepEd-RO2. Kindly forward us the names, designation and corresponding email addresses of your nominated participants, so that we can email them the invitation to the event as well as registration guidelines. We hope to receive the list on or before January 11, 2021.
