Office of the Regional Director for Region 2
Department of Education

Dear Mr. Paragas:

Greetings!

For the past 22 years, the Ateneo Mathematics Society (AMS) has held *Sipnayan*, an annual mathematics contest. It is an avenue for students from different schools to showcase their knowledge and competence in mathematics with the aim of promoting appreciation of and excellence in mathematics. In its 23rd year, we are now reintegrating the competitive aspect of *Sipnayan* and implementing its first ever online competition!

With this, *Sipnayan 2021: Into the Realms* will be conducted through various online platforms such as Canvas, Zoom, Facebook, and Discord. Additionally, the event will be streamed using the official AMS *Sipnayan* Facebook Page which is found at [facebook.com/AMSSipnayan](https://www.facebook.com/AMSSipnayan). The competition will be divided into three divisions: (1) the Grade School Division, (2) the Junior High School Division, and (3) the Senior High School division. Moreover, the competition in each division will be comprised of three stages: (i) a written elimination round, (ii) an oral semi-final round, and (iii) an oral final round. Further, the competition will be team-based where all the stages listed above will be accomplished by groups of three members. Lastly, the event will have a registration fee of P300 per group.

The different divisions of *Sipnayan 2021: Into the Realms* will be held on the following dates:

Grade School Division (Grades 6 and below): **October 9, 2021**

Junior High School Division (Grades 7 to 10): **October 16, 2021**

Senior High School Division (Grades 11 to 12): **October 23, 2021**

Despite the challenges brought forth by the pandemic, *Sipnayan 2021: Into the Realms* is also presented with the opportunity to expand its reach and invite more schools. In line with this, we kindly **request a memorandum** from your office to invite the schools under your jurisdiction to participate in our event. We would deeply appreciate it if you would be able to help us disseminate information regarding *Sipnayan* to these schools.

For the interested schools, the registration procedure and payment processes may be found at <https://link.ateneomathsociety.org/Sipnayan2122RegistrationForm>. The program and mechanics of the competition are also provided below:
